The Extraordinary Member has noted that it is desirable that the Superintendent of the Bangalore Central Jail should be a smart and stalwart officer of commanding appearance who has had a certain amount of disciplinary training himself so that he may know how to exercise strict discipline and control in the management of the institution. We may be able to hit upon some efficient officer from among the Superintendents of Police and Revenue Assistant Commissioners.

The pay of the Superintendent when he holds both the Executive and Medical charges has been fixed at 700 R, and the pay of the officer holding only the executive charge has been fixed at R 600/-

In accordance with the arrangements recently ordered in connection with the reorganization of the Sanitary Department, Mr. P. Palpu is in direct - - charge of the Medical Stores, the Vaccine Institute and the Lunatic Asylum. He has been holding the - post of Superintendent, Central Jail, in addition, pending the appointment of a successor. In this latter capacity he has evinced a keen interest in showing in what directions it is possible to - - develop the jail industries and he desires that he may not be disturbed from that work at present. It is desirable that he should continue ~~to~~ ~~x~~ ~~x~~ in - - charge of the Central Jail for some time longer.

2. With this additional work, however, Mr.Palpu will not be able to give the requisite attention to the management of the other institutions in his - charge. These institutions are not all situated within a convenient distance of each other and some of them -particularly the Medical Stores in which certain shortages of stock was recently discovered and efforts are being made to set things in order— require close supervision.

3. Having regard to the above considerations the Council have resolved that Mr. Palpu may continue to be in charge of the Central Jail until the 1st July next and that an Assistant from the Medical Department may be given to him to help him in the work connected with the Medical Stores and the Vaccine Institute.

4. The question of selecting a suitable officer to succeed Mr. Palpu as Superintendent of the Central Jail will be considered and definite proposals submitted in June next.

F I N A L - N O T E.

The accompanying papers are resubmitted with reference to paragraph 4 of my Final Note of the 10th Apr last regarding the appointment of a suitable officer as Superintendent of the Central Jail, Bangalore, in place of Mr. P. Palpu.

2. The Inspector-General of Prisons has proposed that an Assistant Commissioner, possessing special aptitude for developing the jail industries may be appointe to the post with the powers of a first class Magistrate and he has also suggested the names of certain Medical Officers whom he considers eligible for the place.

3. The question was considered in Council at the meeting held on the 11th instant and it was resolved - that Mr. A.K. Pani, Health Officer of the Mysore City, might be appointed as Superintendent of the Central Jai on probation for one year, with instructions to pay - - particular attention to the development of the industri in the Jail.

4. In this connection it has also been considere desirable to revise the present scale of salary of the appointment. Under Government Order dated 1st Decembe 1910 the pay is Rs.700/- if the incumbent holds both th executive and medical charges of the Jail and Rs.600/- if he is only in executive charge, the medical charge - carrying an allowance of Rs.100/- per mensem in the lat ter case. As the appointment is ordinarily held by an officer of the general or medical service it is deemed unnecessary to fix a separate scale of pay for it. The Council accordingly propose that the Government Order c

1st December 1910 may be modified as follows:-

"An officer appointed as Superintendent, Central Jail, will draw his grade pay plus a loca allowance of Rs.150/- per mensem. He will also be entitled to free quarters.

When such officer does not hold the medical charge of the Jail his local allowance will be only Rs.100/- per mensem, a local allowance of Rs.50/- per mensem being granted in that case to the Medical Officer placed in medical charge of the Jail."

5. According to the above proposals Mr. Pani will hold both the executive and medical charges of the Jail and will as such be entitled, in addition to his grade pay of Rs.400/-, to a local allowance of Rs.150/- with free quarters.

6. Mr. Palpu will continue to be in charge of the Central Jail, in addition to his other duties, until he is relieved.

Dear Sir,

With reference to your D.O. letter No.c.138 of 17, dated the 26th instant requesting me to suggest the names of other medical officers (besides Mr.Mahomed Usmon) suitable for the post of Superintendent, Central Jail, Bangalore, I give below the names of medical officers who are all seniors to Mr.Mahomed Usmon and any one of whom could be selected:-

1. Mr. B.D.Raghavendra Rao, L.M.& S.
2. Mr. C. Rajarama Rao, L.M.& S.
3. Mr. W.Srinivasiengar, M.B.,C.M.
4. Mr. T.V.Kuppasawmi Mudaliar, L.M.& S.
5. Mr. V. Abboy Naidu, L.M.& S.
6. Mr. G.S.David, L.M.& S.

Of the above, Mr.T.V.Kuppaswami Mudaliar does not seem to care for the post. Of the junior officers I consider Mr. V.Muthusawmi Diss eligible, as he was in charge of the Central Jail for about three months in 1915 and did his work well.

Mr. Mahomed Usmon can, of course, be spared and if his appointment as Superintendent is ordered, he will be permitted to work for some hours every week in the Victoria Hospital, Bangalore, to enable him to maintain his touch with the surgical work.

P.S. I may mention the name of Mr.A.K.Pani, Medical Officer of Health,Mysore City, who is a capable officer, and whose case deserves consideration.

Yours sincerely,

Sir,

I have the honor to state that according to the recent Govern-ment Order, Mr. Palpu the present Superintendent of the Central Jail, Bangalore, has been appointed as the Superintendent, Vaccine Institute etc., and the post of the Superintendent, Central Jail, Bangalore, will fall vacant.

With the exception of about a year and a half when I was in independent charge of the Public Health Institute, I have been working as Health Officer for nearly 15 (fifteen) long years and the Govern-ment may be aware of my general good work in Municipalities.

I consider that after these long years continually in the Health Department, I require a change at least for some time in the interest of my health to a post where I will not have out-door work.

It is usual everywhere to appoint Medical Officers as the Superintendent, Central Jail, Bangalore, and I request that my claims might be considered and the vacant post given to me.

I have put in 19 years service and for the past 9 years without any increment whatsoever and there is no likelihood of my getting any increase of pay in the near future.

I request you to kindly submit this application to Government for their kind consideration and in conclusion to assure you that I have every confidence that I will perform my duties relating to the new appointment, to the entire satisfaction of the Government.

Dear Mr Narasinga Rao.

I understand that, in connection with the recent Changes in the Public Health Department, there will be a Change in the Superintendent, Central Jail, Bangalore and that there is a probability of a Civil Officer being selected for the place. In this connection, I should like to put in a word on behalf of Mr C. Machin, District Superintendent of Police here and now

under transfer to Mysore.

I have known him for sometime as Sub Division officer, Maddagiri and as District Superintendent of Police here since August 1915. He has been discharging his duties satisfactorily and is quite keen on his work and able to enforce and maintain discipline. He has a grasp of details and is quite fit physically for active work. His experience of the Police Department and his knowledge of the

Criminal Classes will, I think be extremely useful, if he is put in charge of the Jail. Perhaps, he is somewhat of a junior officer, as the Civil List goes but since this place has to be filled by Special Selection, this is not an insuperable disqualification. He is due to get Rs 300 from 10th February 1917.

With these remarks, I leave the matter in your hands for such

Consideration as may be deemed fit.

Yours Sincerely

C Bal Gangadhar Tilak

Will be glad to see Gandhi tomorrow.

Dear Sir

You are aware that the Govt would
not please to promote me to the
next grade on the score that I
have not passed the Civil Examinatio
and allowed my junior to supercede
me. Being in my 5 3 8 year I find
it impossible to pass the Local Test

with the dishonour of being superceded
by my junior. Fortunately the Central

Central jail Supt's place has fallen
vacant now and I beg you will kindly
move the benevolent Govt to consider
my claims for the post and to confer
it on me the same. You are aware that
for 15 years I was the Supt of Police of

to inform you that during the short-
period of my service in the Excise

satisfaction to my official Superiors

if the Govt is kind enough to confer on me this post I shall have the consolation that the hard and responsible work done by me during the last 20 years of my service has been rewarded during my retiring years which act of kindness I shall ever be grateful to Government of His Highness the Maharaja of Mysore.
